D1 4-H: WHERE CHAMPIONS ARE MADE

Decorative elements include green wavy lines on the left and a grid of green upward-pointing chevrons on the right.

## Fun 4-H Fact:

A. B. Graham started a youth program in Clark County, Ohio, in 1902, which is considered the birth of 4-H in the United States. The first club was called “The Tomato Club” or the “Corn Growing Club”. T.A. Erickson of Douglas County, Minnesota, started local agricultural after-school clubs and fairs that same year. Jessie Field Shambaugh developed the clover pin with an H on each leaf in 1910, and by 1912 they were called 4-H clubs.
